

## BACA Supply List

Since we will not be “community sharing” our school supplies, students should only bring the items that are needed for that day/ week; do not send all the supplies (example: students do not need to bring 6 packages of notebook paper to school). Each teacher will let students/ parents know what is needed for the first day of school. **Please write your child’s name on each item.** And be sure to replenish these supplies throughout the school year.
